To 3 and 5:

I concur in the suggestion of the Exec. Dir-Compt. that in ☐ cases the D/S's forwarding memorandum should contain an approval line for the DCI or the DDCI, as appropriate. I am concerned however that combining the forwarding memo and the memo of justification from the interested Division would result in too lengthy a memo. As an alternative, I suggest that the forwarding memo contain a short statement of the justification, and that the justification of the Division be forwarded as an attachment without an approval line.

The D/S is changing the format of the forwarding memo and will be in contact with each of you to implement the required changes.
